

November 22, 2011

Dear Parents:

First of all, we would like to thank you all for your support with the Desert Showdown Cheer and Dance Championship on Saturday, December 3rd, 2011 at Dobson High School in Mesa, Arizona Located on Guadalupe Rd. just east of Dobson Rd. We wanted to give you some information to help with the competition.

Special Rooters Section: We will have the floor seating available in front of the competition floor first blocked off as a rooters section for your fans to be able to have front seat viewing when your teams perform. We do ask that once your team is done performing that you exit out of this area to make room for the next team's spectators. The judges will be behind you so we ask that you stay seated during the time teams are performing to not distract from the judges viewing.

Admission: Admission into the competition will be \$10 for adults. Students and Senior Citizens will be \$8 per day and 5 and under will be free. We also have a family rate of \$25 this season to help decrease the cost for you. This includes two adults and children. The doors will open at 9AM with our first team performing at 10AM.

Vendors Available: We are excited about the different vendors that will be at the competition this year. We encourage you to take the opportunity to check them out.

Concessions: Concessions will be provided by Dobson High's Spiritline Support Group.

Shout Outs: We will have announcements that you can purchase for \$2 to send a special note to a team member prior to them competing. Please make sure that you purchase and turn in your special shout out 30 minutes prior to your team competing.

Flower Sales & Baskets: We will be raffling off baskets and selling flowers at this competition. All proceeds will go towards the fight against breast cancer.

We want to thank all of you again for your support!

Sincerely,

Jason A. Mitchell
Director of the Desert Showdown Cheer and Dance Championships
