

Arizona Heat Elite Sparks Club needs you!

The Sparks Club is the booster club arm of Arizona Heat Elite whose main function is to raise funds to support various programs and needs for AZ Heat teams. During the past few years, the Sparks Club functioned as an individual fundraising program allowing families to participate in various fundraisers to offset team member expenses associated with travel. This year, in addition to the individual fundraising activities, Sparks will also focus on gym-wide fundraisers to support the general fund. Monies raised from gym-wide fundraisers **could** be used to offset costs of the End-of-Year banquet, out of town competition busing, and other expenses as agreed upon by the Executive Board.

The accounting functions for both AZ Heat and Sparks Club will remain as separate businesses. All payments for AZ Heat related expenses (i.e. tuition, uniforms, travel fees, etc.) need to be made payable to AZ Heat rather than Sparks Club. This change will allow both AZ Heat and Sparks Club to comply with IRS regulations.

We need your help and support this year! The Sparks Executive Board will present a booster club overview at the next parent's meeting scheduled for October 31. We look forward to sharing our excitement and plans for this season!
