To All Arizona Heat Competitive Family Members:

We are excited to see all of the improvements from each team member this summer and are *STOKED* for this season. It has been great to give the team members additional time this summer to continue to improve their skills before placing teams. With that said, we are super excited about each of our teams that have been created and know this is going to be an incredible season for our **HEAT** family.

We would like to congratulate you on being placed on **SO Hot** for the 2011-2012 Competitive Season. We hope you are as excited as we are for this team. **Practices** for **SO Hot** will be Monday and Wednesdays from 5:30 to 7:30PM at Aspire and will start this week. If you are in need of working out a car pool for practices please let us know and we will do our best to assist you. **Choreography** for **SO Hot** is scheduled for the week of September 5<sup>th</sup> toward the end of the week. We will give you specific details as they are confirmed.

As a coaching staff, we are *FIRED UP* for this year and all that we see you being able to accomplish. We want to remind you, “**YOU ARE THE KEY TO YOUR OWN SUCCESS**”. Success is not found outside yourself, but from inside yourself. You’re belief in what you will accomplish this season will become reality – “**ATTITUDE IS EVERYTHING and ANYTHING IS POSSIBLE**”.

Congratulations and GO HEAT!
