To Business Friends and Family Members:

We are so excited about the start of another great season with the Arizona Heat Elite Cheer Center. The Arizona Heat Elite Cheer Center is in its 12<sup>th</sup> season and encompasses team members ranging from age 3 to adults. We have competitive all-star teams comprised of guys and girls from around the Phoenix Metropolitan area with our home base being Mesa, Arizona. These teams perform and compete locally and national throughout the year. In the past 12 years we have received over 35 National Titles. Our athletes are not only strong competitors, but students with strong discipline and strong character.

We want to thank all of you who have supported our team members in the past and those of you who are going to be sponsoring the students this season. Our program is valuable to young lives for more than just being able to be involved in a team sport, but more importantly because of the life lessons that they receive by being part of the Arizona Heat Elite program.

By helping our team members, you will be giving them a chance to be involved in a life changing experience that they may not have had without your help. Your sponsorship to our team members is tax deductible to you or your business. Our booster club is a non-profit 501C3 organization.

Once again, we thank you for your support of the Arizona Heat Elite Competitive Team Members. We wish you a great year and know that the families in our program are very grateful for your donation. Please do not hesitate to contact us at 490-539-1134 or check out our website at [www.arizonaheat.org](http://www.arizonaheat.org) to learn more about our program.

Sincerely,

Jason and Krystal Mitchell
