**DROP OFF AND PICK UP SAFETY–Keep our children SAFE! Please adhere to the following guidelines**

1. Please follow the one way traffic flow when entering and exiting the parking lot. Please enter the gym parking lot from Commonwealth and exit onto Hearthstone Way. This allows children to be dropped off at the curb without crossing the parking lot. PLEASE DO NOT PARK IN THE DROP OFF AREA. We need to keep this area open for children being dropped off/picked up and for emergency vehicles.
2. For the safety of all, please be ON TIME to pick up your children. If a situation arises and you are going to be late for pick up, please call us so we can assist your child as needed.
3. When picking up younger children, please park and come into the building. If you choose to pick up older children at the curb, please tell them they must wait inside until they see you pull up.
4. Please drive slowly and with care in the parking lot. Do not park in fire zones or misuse handicapped parking spots.
